CTS is:

- **A private non-profit Agency.**
- **Committed to enhancing the quality of life, health, and independence of our clients.**
- **Contracts with the Winnipeg Regional Health Authority for the provision of Physiotherapy and Occupational therapy services to WRHA home care clients.**

Confidentiality of Personal Health Information

CTS staff will collect personal health information from you or from someone acting on your behalf. This information is necessary to assess you and to plan a treatment program and will be recorded in a confidential clinical record.

Information in your clinical record will be shared with other members of the health care team such as your physician and your home care case coordinator. This information will assist them in providing the most appropriate care to you.

You may request access to information in this record.

If you have any questions about the Agency please contact the Executive Director at 204-949-0533.

Proudly meeting the rehabilitation service needs of Manitobans for over 55 years.
