Falls Prevention Handout

Falls are not a normal part of aging and there are actions you can take to prevent falls.

Please check ✓ all that apply to client.

Making your **home** safer by...

- ☐ Removing items that you could trip over like clutter, mats, electric cords, etc.
- ☐ Keeping all walking areas open and free of objects.
- ☐ Ensuring flooring is level throughout home.
- ☐ Installing grab bars in the bathroom.
- ☐ Using non-slip mats inside and outside your shower/tub when bathing.
- ☐ Installing handrails on both sides of stairs.
- ☐ Having good lighting throughout home.
- ☐ Ensuring regularly used items are within reach.

Making your **walking** safer in your home by....

- ☐ Wearing well-fitted non-slip indoor shoes and/or socks with grips on bottom.
- ☐ Pacing yourself: don't rush when walking or getting up.
- ☐ Maintaining proper use of eyeglasses and hearing aids.
- ☐ Staying active and exercising daily.
- ☐ Using recommended transfer and mobility devices.
- ☐ Applying brakes on walker before sitting or standing up, and always have mobility device within arm's reach.
