STAFF PHYSIOTHERAPIST CASUAL POSITION – TRAVEL REQUIRED

Community Therapy Services (CTS) is seeking a Physiotherapist for a casual position to provide services to remote northern First Nations Communities on a Fly-in basis. One to two trips per month anticipated (each trip being 2-3 days). Per diem provided (in addition to wage). CTS arranges all travel.

Compensation is as per MAHCP wage scale.

Qualifications:

- University graduate of an accredited Physiotherapy program
- Member in good standing with the College of Physiotherapists of Manitoba (CPM)
- Experience working in a community setting preferred

Other Considerations:

- Proven ability to make time sensitive decisions
- Excellent communication skills
- Strong self-starter, with proven ability to demonstrate initiative
- Provide ability to resolve conflicts in a respectful and collaborative manner
- Strong problem-solving skills
- Excellent time management and prioritization abilities
- Competence in an Indigenous language and/or knowledge in Indigenous customs, traditions and values an asset

Accommodation is available on request for candidates taking part in all aspects of the selection process.

Questions about this position are welcome.

Interested applicants may give notice and express their interest via email to:
